BASIC CLAIM PROCEDURE

What to do in the event of a claim?

- All claims must be advised to Forte Insurance (Cambodia) Plc. within 30 days after completion of the trip. Complete the claim form and submit it together with all original bills, receipts, and other relevant documents to substantiate your claim.
- Medical Expenses** - Medical Claim Information, Doctor's reports or certificates and hospital bills are required to support a claim. Retain all original copies.
- Baggage Lost Or Stolen** - Report to relevant authorities such as the police, hoteliers, airline, and shipping company within 24 hours and obtain information, report or reference number.
- Liability Claim** - Do not admit liability. Request for any claim against you to be put in writing.
- Loss Of Money** - Report to Police within 24 hours and obtain acknowledgment or written statement of the report.
- Europe Assistance** - In the event of a medical emergency requiring hospitalisation, or if you need assistance to arrange medical evacuation or repatriation of mortal remains following the death of an insured, please contact us anytime on Thailand Tel: **(66) 2180 5588** (Our Thailand Teams will manage your case and coordinate with other global teams if necessary.)

When calling us, you will be requested for the following information:

- Name of the insured and passport number
- Certificate of insurance of the traveller
- Nature of illness / injury
- Location of the insured
- Name and contact details of the attending doctor and medical facility
